

3 Quick Steps to Upload Your Photofest Photo

Submit a photo to Photofest from October 1, 2012–March 31, 2013, and you'll help us build a powerful tribute to the spirit of ITT Goulds Pumps.

1. Snap a photo

You can use your digital camera or smartphone to take a photo, or you can even scan in prints. Be sure to check out our Simple Tips for Great Photography, found on www.pumpappreciationday.com/photofest.

2. Transfer to your computer

Plug in your camera and download your photos to your computer. If you're using a smartphone, you can upload your photo directly to www.pumpappreciationday.com/photofest/upload.

3. Upload to Photofest

All digital files must be high resolution GIF, JPEG or PNG files no larger than 5 MB in size. Fill out the brief form on www.pumpappreciationday.com/photofest/upload, and click browse to select your photo for uploading.

Remember

You may submit as many photos as you like to Photofest. We'll use the photos sent in from around the world to create mosaics at the conclusion of each Photofest theme, plus a grand mosaic to be unveiled on Pump Appreciation Day—April 9, 2013. Check out these works of art at www.pumpappreciationday.com/photofest/mosaic.
